The student and parent/legal guardian consent and authorize school officials through an Athletic Health Care Trainer (AHCT), qualified coach/staff, or physician as determined by the school, to provide any first aid and/or emergency care as well as follow-up first aid or medical treatment that may be reasonably necessary for the student as determined by a school official in the course of athletic practice, competition or travel.

The student and parent/legal guardian further consent and authorize the school's AHCT to provide appropriate therapeutic modalities in order to return the student to athletic competition, such care to be conducted under the direction of a physician.

The student and parent/legal guardian further consent and authorize the school's AHCT to administer baseline and/or post injury concussion management assessment in order to manage a concussion or suspected head trauma, such care to be conducted under the direction of a physician.

The student and parent/legal guardian hereby consent to the release of medical information by the physician to the school to obtain information regarding the medical history, records of injury or surgery, serious illness, and rehabilitation results of the student from his/her physician(s). We understand that the purpose of this request for medical information is to assist the school in the management or rehabilitation of an injury/illness. This information is confidential and except as provided in this release will not be otherwise released by the parties in charge of the information. This release remains valid until revoked by the adult student or parent/legal guardian in writing.
